Google I/O 2017 Extended

22
JUN

The annual Google I/O conference that displays the newest innovations & technologies brings together thousands of tech enthusiasts to a single location for a super awesome time! This way we felt that we were all working together, towards the same idea. Reviewing our collective work at the end of each day, we began to see patterns emerge. We course-corrected when necessary, and started defining our standardized components.

📍 LOCATION

Muffy Hall - Alagomeji
Junction, Yaba, Lagos.
